

UGAM CHEMICALS

Vaibhav Paper Boards Pvt. Ltd.

TO WHOM SO EVER IT MAY CONCERN

This is to certify that M/s. Albion Technology has done UGAM HRTI 400 on our dryer cylinders.

We found the skin temperature reduced on coated area by approx. 35%, due to this energy saving has been achieved and also increased production.

We appreciate the effort put in by M/s. Albion Technology in energy saving innovative solutions and we are satisfied with their work.
